

# The Rutles, Don't Know Why

I don't know why  
The world turns out to be the way it is  
As time goes by  
Oh I (I...)  
Don't know why (don't know why...)  
True love turns out to be the stuff  
Between hello and goodbye

Looking back with 20-20 hindsight  
We only tried to play our part  
When selfishness is state of the art  
You've just got to change the locks on your heart

Now I (I...)  
Don't know why (don't know why...)  
True love turns out to be the stuff  
Between hello and goodbye

Looking back with 20-20 hindsight  
We only did the best we could  
As green as any Norwegian Wood  
The acid test of fame we withstood

Now I (I...)  
Don't know why (don't know why...)  
The world turns out to be the way it is  
As time goes by  
Oh I (I...)  
Don't know why (don't know why...)  
True love turns out to be the stuff  
Between hello and goodbye
