

The Rutles, Eine Kleine Middle Klasse Musik

Look at all the nice things money can buy
Everyday there's more and more
Do you ever stop and wonder why
You're neither rich nor poor?
Eine Kleine Middle Klasse Musik

Dropping off the school kids in the second car
Parking on the yellow line
Getting in the shopping on a credit card
Knowing how to choose a wine
Eine Kleine Middle Klasse Musik

Proud of your home and your neighborhood
It's so up and coming that you feel so good!

This is freedom in a land of plenty
You get nowhere if you just stand still
You got to hold on to what you got as best you can
Cause if you don't someone else will

Look at all the nice things money can buy
Every day there's more and more
Do you ever stop and wonder why
You need to lock your door?

Loneliness is all that people ever share
Smuggling their pain through "Nothing to Declare"
Living next to people who agree to disagree
Happy in their pie chart society
