

The Ruts, Dope For Guns

The newspaper headlines got it wrong
They're tryin' to tell us the dope is too strong
But it ain't dope they're turning you
They're selling dope for guns, that's the truth

Dope for guns, it ain't fun
They put you on your knees with ???

Dope for guns, dope for guns

No one suspected, but you had elected
Some foreign power, but it turned sauer
So shoot down the victim, you can't miss em
It's a run on the ladder for a higher status

Dope for guns etc
