

The RZA, Ode To O-Ren Ishii

(RZA)

Aiyo, I wanna dedicate this song right here to O-Ren Ishii
Half Chinese/Half Japanese, Half American and yo
Oh what a specie, a feminine perfection
She got the sinister cat eyes and little freckles on her complexion
Cheaper than Yakuza, but she's wicked like Medusa
And she got Crazy 88 killers that'll slice right through ya
Quick to chop a head off then wipe the blood off
A long range sniper shot she bust, never let a dud off
You got a minute to pray and a second to die
You can see the image of the devil reflectin' inside her eye
But since she was a little girl, yo, she never would cry
She seen so much tragedy, let me explain to you why
She grew up on the military base, where she had to face
The brutality of her mother and her father being erased
The blood drops from her tear drops, on her face you see the smear spots
