

The Script, The End Where I Begin

Sometimes tears say all
There is to say
Sometime your first
Scars won't ever fade, away
Tried to break my heart
Well it's broke
Tried to hang me high
Well I'm choked
Wanted rain on me
Well I'm soaked
Soaked to the skin

It's the end where I begin
It's the end where I begin

Sometimes we don't learn
From our mistakes
Sometimes we've no
Choice but to walk
Away, away
Tried to break my heart
Well it's broke
Tried to hang me high
Well I'm choked
Wanted rain on me
Well I'm soaked
Soaked to the skin

It's the end where I begin
It's the end where I begin

Now I'm alive
And my ghosts are gone
I've shed all the pain
I've been holding on
The cure for a heart
Is to move along, is to move along
So move along [X3]
What don't kill a heart
Only makes it strong

Sometimes tears say all
There is to say
Sometime your first
Scars don't ever fade, away
Tried to break my heart
Well it's broke
Tried to hang me high
Well I'm choked
Wanted rain on me
Well I'm soaked
Soaked to the skin

It's the end
End where I begin
It's the end
End where I begin

Sometimes we don't learn
From our mistakes
Sometimes we've no
Choice but to walk
Away, away
