

The Simpsons, Capital City

There's a swingin' town I know called...

Capital City

People stop and scream hello in...

Capital City!

It's the kind of place that makes a bum feel like a king
and it makes a king feel like some nutty coo-coo super king.

It's against the law to frown in

Capital City!

You'll giggle like a stupid clown

When you chance to see 4th street and D!

Once you get a whiff of it, you'll never want to roam,

From Capital City, my home sweet swingin' home!
