The Simpsons, Capital City

There's a swingin' town I know called... Capital City People stop and scream hello in... Capital City! It's the kind of place that makes a bum feel like a king and it makes a king feel like some nutty coo-coo super king. It's against the law to frown in Capital City! You'll giggle like a stupid clown When you chance to see 4th street and D! Once you get a whiff of it, you'll never want to roam, From Capital City, my home sweet swingin' home!
