

# The Simpsons, Homer & Marge (Love Goes On)&

Here's a little ditty  
'bout Homer and Marge  
Her heart was as big  
as his stomach was large

oh yeah, they say  
life goes on  
long after the grilled  
cheese sandwich is gone

...

That's a story  
'bout Homer and Marge  
two folks I helped out  
for a nominal charge

After Homer went gay,  
they patched up their schism  
but the dude never dealt with  
his alcoholism

Weird Al sayin':  
Oh yeah, the credits go on  
long after the viewers interest is gone  
Oh yeah, Weird Al had fun on this show  
even if it was just a brief cameo
