

# The Sleepy Jackson, Acid In My Heart

It's true  
I never had no fun with you  
Now there's acid in my heart

It's time  
to get you off my mind  
'Cause there's acid in my heart

But I need you  
I need you

I know you  
I know you're getting quiet  
'Cause you need me now

I need you  
you know I'm getting tired  
'Cause I need you now

Would you tell this river the truth

I need you  
I need you  
I need you

It's true  
I never got no sun with you  
Now there's acid in my heart

And it's fine  
To get you off my mind  
But there's acid in my heart.

I need you  
I need you  
I need you  
I need you
