

# The Smashing Pumpkins, Ava Adore

It's you that I adore  
You will always be my whore  
You'll be a mother to my child  
And a child to my heart

We must never be apart  
We must never be apart  
Lovely girl you're the beauty in my world  
Without you there aren't reasons left to find

And I'll pull your crooked teeth  
You'll be perfect just like me  
You'll be a lover in my bed  
And a gun to my head

We must never be apart  
We must never be apart  
Lovely girl you're the murder in my world  
Dressing coffins for the souls I've left to die  
Drinking mercury to the mystery  
Of all that you should ever leave behind  
In time

In you I see dirty  
In you I count stars  
In you I feel so pretty  
In you I taste god  
In you I feel so hungry  
In you I crash cars  
We must never be apart

Drinking mercury to the mystery  
Of all that you should ever seek to find  
Lovely girl you're the murder in my world  
Dressing coffins for the souls I've left behind  
In time  
We must never be apart

And you'll always be my whore  
Cause you're the one that I adore  
And I'll pull your crooked teeth  
You'll be perfect just like me  
In you I feel so dirty in you I crash cars  
In you I feel so pretty in you I taste god  
We must never be apart
