

The Smashing Pumpkins, Beautiful

Beautiful, you're beautiful, as beautiful as the sun.
Wonderful, you're wonderful, as wonderful as they come.

And I can't help but feel attached,
to the feelings I can't even match.
With my face pressed up to the glass, wanting you.

Beautiful, you're beautiful, as beautiful as the sky.
Wonderful, it's wonderful, to know that you're just like I.

And I'm sure you know me well, as I'm sure you don't.
But you just can't tell,
Who you'll love and who you won't. (no)
Who you'll love and who you won't.

I love you, as you love me.

So let the clouds roll by your face.
We'll let the world spin on to another place.
We'll climb the tallest tree above it all.
To look down on you and me and them.

And I'm sure you know me well, as I'm sure you don't.
But you just can't tell,
Who you'll love and who you won't. (no) [x3]

Don't let your life wrap up around you.
Don't forget to call, whenever.
I'll be here just waiting for you.
I'll be under your stars forever.
Neither here nor there just right beside you.
I'll be under the stairs forever.
Neither here nor there just right beside you.
