

# The Smashing Pumpkins, The Crying Tree Of Me

This is the song I've been singing my whole life  
I've been waiting like a knife  
To cut open your heart  
And bleed my soul to you  
I did it all for you  
You and you and you and you

This is the sound I've been making my whole life  
I've been waiting for this night  
To clear up all the talk  
Although I'm selfish to a fault  
Is it selfish it's you I want  
You I did it all for you  
This love will stand as long as you  
There's really no excuse  
I did it all for you

These are the tears I've been crying my whole life  
Like an ocean of desire  
I'm reaching thru the noise  
Across the dusk of time  
Within the lilting lies  
I am singing out to you
