

The Smiths, I Don't Owe You Anything

Bought on stolen wine
A nod was the first step
You knew very well
What was coming next

Did I really walk all this way
Just to hear you say
"Oh I don't want to go out tonight"
"Oh I don't want to go out tonight"
Oh but you will
For you must

I don't owe you anything
But you owe me something
Repay me now

You should never go to them
Let them come to you
Just like I do
Just like I do

But did I really walk all this way
Just to hear you say
"Oh I don't want to go out tonight"
"Oh I don't want to go out tonight"
But you will
For you must

I don't owe you anything
But you owe me something
Repay me now

Too freely on your lips
Words prematurely sad
Oh but I know what will make you smile tonight
Life is never kind
Life is never kind
Oh but I know what will make you smile tonight
