

# The Soundlovers, Surrender

I used to be surrender  
I used to be a lonely soul  
I used to ask the sender  
asking him if my love has come  
I used to get it on  
and I will go on..  
I used to be surrender  
I used to be a lonely soul  
I used to ask the sender  
asking him if my love has come  
I pray everyday the wiser  
I pray to tell me what to do  
It's only love, I said "what?"  
That's really not my point of view  
I used to get it on  
and I will go on..x 4
