

# The Specials, Concrete Jungle

I'm going out tonight  
I don't know if I'll be alright  
Everyone wants to hurt me  
Baby danger in the city

I have to carry a knife  
Because there's people threatening my life  
I can't dress just the way I want  
I'm being chased by the national front

Concrete jungle, animals are after me  
Concrete jungle, it ain't safe on the streets  
Concrete jungle, glad I got my mates with me

I won't fight for a cause  
Don't want to change the law  
Leave me alone, just leave me alone  
I want to get out on my own

I'm walking home tonight  
I only walk where there's lots of lights  
In the alleys and the doorways  
Some throw a bottle right in your face

Concrete jungle, animals are after me  
Concrete jungle, it ain't safe on the streets  
Concrete jungle, glad I got my mates with me
