

The Spencer Davis Group, I'll Drown In My Own Tears

It brings a tear to my eye when I begin to realise
I cried so much since you've been gone
I guess I'll drown in my own tears

Why can't you come on home to me and I won't be all alone
If you don't think that you'll be home soon to me baby
I guess I'll drown in my own tears

I know it's true into each life
Some rain, a little rain must fall

I'm so blue here without you
It keeps on raining, pouring for you

Why can't you come on home to me and I won't be all alone
If you don't say that, love, that you'll be home soon
I guess I'll drown in my own tears
When I wake up in the morning, I think
I think that I'm gonna drown in my own tears

I think I'll drown in my own tears
