

# The Spinto Band, Personal

I dont want to lose you baby,  
I just dont want to have you baby,

Dont take it Personal Baby,  
You always knew that I impolite,

No one said that you were crazy,  
But i never liked the looks you gave me,

Dont take it, Personal Baby,  
You always knew that I impolite,

So don't take it personal baby,  
Dont take it personal baby,

Dont take it, Personal Baby,  
You always knew that I impolite,

But mother said I was a baby,  
But girl you really drove me crazy,

So dont take it personal Baby,  
You always knew that I was impolite,  
So baby why we gotta fight,

Dont take it personal baby,  
Dont take it personal baby,  
Dont take it personal baby,  
Dont take it personal
