

# The Stanley Brothers, I'll Love Noone But You

Now tonight as I write this note to you  
There's sorrow in my heart  
I hate to say goodbye my dear  
But it's better that we part

Don't think that I've grown tired of you  
Or found somebody new  
For you were all I've ever had  
And I love no one but you

Now when your read this note my dear  
I hope you'll understand  
And think of the one that loves you best  
This broken hearted man

Now that I have loved and lost  
I hope your satisfied  
It'll be so hard to go through this world  
With a broken heart inside
