## The Staves, Winter Trees

White winter trees

Covered in snow

I don?t mind

I don?t mind

I think of you now

Here in the cold

You won?t mind

You won?t know

But I never meant to say

Any of those things

Oh I never meant to tell you how

To be or how to think

Oh I was wrong

Heavy of heart

Weary of soul

You won?t mind

You won?t mind

I think of him now

Fathoms below

You won?t mind

You won?t know

But I never meant to say

Any of those things

Words can sound so cruel

When you speak before you think

Oh I was wrong

But you didn?t understand

That my heart was in your hands

You were so blind

Blind

I promised you that I?d never let you down

Oh but I couldn?t love you any less than now

And I promised you that I?d never let you down

Oh but I couldn?t love you any less than I do now

And I lost myself on that November night

White winter trees

Covered in snow

I don?t mind
