

The Stills, Talk To Me

Clap to the clap track
Don't tell me how you feel
A bored persons nightmare
Crying crocodile tears
Did I blow your mind tonight?
Did I make it alright?

Talk to me
Be sure to call
Talk to me
Talk all you want
Talk to me

Don't say your sorry
Play the part real cool
I'm not that angry
You're just not that cool
Don't blow your mind tonight
I can make it alright

Talk to me
Be sure to call
Talk to me
Talk all you want
Talk to me yeah
Talk to me yeah
