

The Stone Roses, Beautiful Thing

There was no crucifixion
Just lies to steal your mind
Now I know that you're thinking
That I'm running out of time
Sister must a missed you
I don't wanna steal your shine
There's method to my madness
Yes, there's reason to my rhyme

It's a beautiful thing
I say bye bye
Hear me,
It's a beautiful thing
So I stay so high

So so spooky vampire how you love to steal the vibe
All ragtop on addiction
Someone have to say bey bey

It's a beautiful thing
I say bye bye
Hear me,
It's a beautiful thing
So I stay so high

I also hit this sour ...
Of our troupe

It's a beautiful thing
I say bye bye
Hear me,
It's a beautiful thing
So I stay so high
