

# The Stone Roses, Heart On The Staves

You act the part  
You play the game  
Ride on my airwaves  
And that's where I come in  
Nothin' for nothin'  
You ride on an airwaves  
Oh so typical  
Yeah yeah you're on my airwaves

You're so creative  
Yet you've left you're heart on the stave  
You left it on the stave  
Oh  
Heart on the stave oh  
Heart on the stave oh

You act the part

Don't play the game  
Ride on my airwaves

And that's where we come in  
Nothin' for nothin'  
You ride on our airwaves  
Oh so typical  
Yeah we're on the airwaves  
Oh

Heart on the stave oh  
We don't make mistakes oh  
Where's your heart  
Where's your heart  
It's up on the stave  
We all make mistakes
