

# The Stone Roses, I Am The Resurrection

Down, down, you bring me down  
I hear you knocking down my door  
And I can't sleep at night.  
Your face it has no place  
No room for you inside my house  
I need to be alone.

Don't waste your words I don't need anything from you,  
I don't care where you've been or what you plan to do.

Turn, turn, I wish you'd learn  
There's a time and place for everything  
I've got to get it through.  
Cut loose 'cause you're no use  
I couldn't stand another  
Second in your company.

Don't waste your words I don't need anything from you,  
I don't care where you've been or what you plan to do.

Stone me why can't you see  
You're a no one nowhere washed up baby  
Who'd look better dead.  
Your tongue is far too long  
I don't like the way it sucks and  
Slurs upon my every word.

Don't waste your words I don't need anything from you,  
I don't care where you've been or what you plan to do.

I am the resurrection and I am the life,  
I couldn't ever bring myself to hate you as I'd like.

I am the resurrection and I am the life,  
I couldn't ever bring myself to hate you as I'd like.
