

# The Stooges, Search And Destroy

I'm a streetwalking cheetah with a hide full of napalm  
I'm a runaway son of a nuclear A-bomb

I am the world's forgotten boy  
The one who searches and destroys

Honey gotta help me please  
Somebody gotta save my soul  
Baby, detonate for me

Look out honey, 'cause i'm using technology  
Ain't got time to make no apology

Solar radiation in the dead of night  
Love in the middle of a fire fight

Honey gotta strike a plan  
Somebody gotta save my soul  
Baby, penetrate my mind

I'm the world's forgotten boy  
The one who's searchin', searchin' to destroy  
And honey I'm the world's forgotten boy

The one who's searchin' only to destroy  
Forgotten boy, forgotten boy  
Forgotten boy said hey forgotten boy
