

The Strokes, Juicebox

everybody sees me
but it's not that easy
standing in the life field
standing in the light field
waiting for some action
waiting for some action (u know that)
why won't you come over here?
why won't you come over here?
we've got a city to love
why won't you come over here?
we've got a city to love
oh time grudges
will die so slowly
I know you miss
the way I saw you
you're cold
you're so cold
you're so cold
you're so cold
nobody can see me
everything's too easy
standing in the light field
standing in the light field
waiting for some actress
waiting for some actress to say
why won't you come over here?
why won't you come over here?
we've got a city to love
why won't you come over here?
we've got a city to love
oh time left so
we die so swiftly
you never trust me
for a while it was nice
but it's time to say goodbye
you're cold
you're so cold
you're so cold
you're so cold
no no no cold
you're so cold
you're so cold
you're so cold
oh no no no no cold
you're so cold
you're so cold
you're so cold
oooooh no no, you're so cold
