

The Subways, Rock & Roll Queen

You are the sun,
You are the only one,
My heart is blue,
My heart is blue for you

Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen

You are the sun,
You are the only one,
You are so cool,
You are so rock & roll

Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen
Be my, be my, BE MY LITTLE ROCK & ROLL QUEEN
You are the sun,
You are the only one,
You are so cool,
You are SO ROCK & ROLL,

Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen
Be my, be my, be my little rock & roll queen
Be my, be my, be my LITTLE ROCK & ROLL QUEEN
