

# The Sugarcubes, Fucking In Rhythm & Sorrow

A divorced lady arrives home from a bar  
Guess, guess what she sees, sees there  
There is a naked person in my flat!  
He's got a weird expression on his face!  
Oh my god and Jesus as well!  
W-what are you doing here?  
Are you hurting your chest?  
Offending yourself?  
Forcing yourself into pain and sorrow like there is no tomorrow?  
You should use the pain and sorrow  
To fill you up with power  
Life's both sweet and sour!

He looks at me hopeless with tears in his eyes  
Goes out of the window and up on the roof  
Naked man, naked man calm down!  
I'll give you some strawberry cake

Don't act like there is no tomorrow  
You should use the pain and the sorrow  
To fill you up with power  
Life's both sweet and sour!

Aaaaaow!  
Life's both sweet and sour!  
Life's both sweet and sour!  
Life's both sweet and sour!  
Don't act  
Don't act  
Don't act-act

Like there's no tomorrow!  
You should use the pain and sorrow  
To fill you up with power  
Life's both sweet and sour

Don't act like there is no tomorrow  
You should use the pain and sorrow  
To fill you up with power  
Life's both sweet and sour

Ta ta ta ooh woah!  
ooh...ooh...  
Life's both sweet and sour  
Life's both sweet and sour
