Taktu bensn elskan
Allt banna hvort sem er

Og borgir arna stop
Borgir arna stoppa' en a skiptir engu mli

Taktu bensn elskan
Allt banna hvort sem er

Take some petrol darling
Everything's forbidden anyway
Take some petrol darling

Take some petrol darling
All forbidden anyway
Take some petrol

The barometer falls
Into the yellow sand
And cities over there stop
Cities over there stop but it doesn't matter
Everything's forbidden anyway

Take some petrol, darling
Everything's forbidden anyway
Take some petrol, darling
