## The Sugarcubes, Top Of The World

Bjrk
Such a feeling's coming over me,
There is wonder in most everything I see.
Not a cloud in the sky,
Got the sun in my eyes
And I won't be surprised if it's a dream..

Everything I want the world to be Is now coming true especially for me. And the reason is clear, It's because you are here You're the nearest thing to heaven that I've seen..

I'm on the top of the world Looking down on creation And the only explanation I can find Is the love that I've found Ever since you've been around Your love puts me at the top of the world.

Something in the wind has learned my name And it's telling me that things are not the same On the leaves on the trees And the touch of the breeze There's a pleasing sense of happiness for me

There is only one wish on my mind When the day is through I hope that I will find That tomorrow will be Just the same for you and me All I need will be mine if you are here..

I'm on the top of the world Looking down on creation And the only explanation I can find Is the love that I've found Ever since you've been around You'll have put me at the top of the world.

## Finar

When I was young I listened to the radio There be sha-la-la-la every moon still shine There'd be singa-linga-ling That the stars it would sing so fine

## Birk

I'm on the top of the world
Looking down on creation
And the only explanation I can find
Is the love that I've found
Ever since you've been around
Your love put me at the top of the world.
Oh, is the love that I've found
Ever since you've been around
Your love put me at the top of the world
Oh, is the love that I've found
Ever since you've been around
Your love put me at the top of the world
Your love put me at the top of the world

Einar All my past memories Complicated to me, Something really make me cry, Just like before
