The Supremes, A World Without Love

(Paul McCartney/John Lennon)

Please lock me away And don't allow the day Here inside where I hide With my loneliness

I don't care what they say I won't stay in a world without love

Birds sing out of tune And rain outside hide the moon I'm OK, here I'll stay With my loneliness

I don't care what they say I won't stay in a world without love

So I wait and in a while I will see my true love's smile He may come, I know not when When he does I lose So baby until then

Lock me away And don't allow the day Here inside where I hide With my loneliness

I don't care what they say I won't stay in a world without love

So I wait and in a while I will see my true love's smile He may come, I know not when When he does I know So baby until then

Lock me away And don't allow the day Here inside where I hide With my loneliness

I don't care what they say I won't stay in a world without love

I don't care what they say I won't stay in a world without love
