

# The Supremes, Bad Weather

Oohhhhh, ooh, ooh, oohhhhhhh  
Ooh, ooh, oohhhhhhh,  
Ooh, ooh, ooh, whoa-oh-oh-oh-oh-whoa

Why is it we can't be  
The way we used to be  
Problems we would work it out  
Whenever there was any doubt  
You use to trust in me  
But now you're leaving me to suffer  
Oh, oh, oh yeah a-yeah  
If you give love a chance  
I'll do the best I can  
We can work it out in time  
And mend the pieces of our lives  
Please believe in me  
Every day is looking darker--

Think I'm gonna run into bad weather  
Skies are gray  
Cause our love just ain't together  
Think I'm gonna run into bad weather  
Cause our love just ain't together

Ooh,  
All the things we used to do  
Together me and you  
Think of the fun we had  
And how our love's suppose to last  
Mistakes were not all you  
I know I made some too, sugar, ooh baby, baby  
Open up your eyes and see  
That you're the one for me  
Let's fix it there's still time  
We can love, love sunshine  
Baby won't you please  
Stop it, don't make me suffer--

Think I'm gonna run into bad weather  
Ooh look at the rain  
Cause our love just ain't together, no-o  
Think I'm gonna run into bad weather  
Cause our stuff just ain't together--

Now, now, now, now, now, now, now, now--

Ooh-----

Yeah, yeah

LYNDA:  
Ah!

Think I'm gonna run into bad weather  
Cause our love just ain't together, oh no

LYNDA:  
Ah, ah, ah, ah!

Think I'm gonna run into bad weather  
Look at the rain--  
Cause our stuff just ain't together  
Hey, baby, baby, baby, yeah  
Bad weather, bad weather, bad weather

Our love just ain't together  
(It ain't together, no)  
(Run into bad weather)  
Gonna run, gonna run, I'm gonna run, I'm gonna run  
You got me running, you got me running, hey, yeah
