

# The Supremes, Does Your Mama Know About Me

(Tom Baird/Tommy Chong)

Does your mama know about me  
Does she know just what I am  
Will she turn her back on me  
Or accept me as I am

And what about your dad  
Did you think of what he'll say  
Will he be understanding  
Or does he think the usual way

Maybe I shouldn't worry  
But I've been through this before  
And I'd like to get things straight  
Before I'm knocking on your door

Does your mama know about me  
Does she know just what I am  
If she says forget about me  
Do you think you'll understand

And what about your friends  
Do you care what people say  
Will you accept the burdens  
I know will surely come your way

Maybe I shouldn't worry  
But I've been through this before  
And I'd like to get things straight  
Before I'm knocking on your door

Does your mama know about me  
Does she know just what I am  
Will she turn her back on me  
Or accept me as I am

Oh, we've got to stand tall  
Tumble or crawl  
We've got to be strong  
For a love that's so right  
Can't be wrong  
And everyday I see it grow  
I don't wanna let it go  
That's why I gotta know

Does your mama know about me  
Does she know just what I am  
Does your mama know about me  
Does she know just what I am  
Does your mama know about me  
Does she know just what I am
