The Supremes, Does Your Mama Know About M

(Tom Baird/Tommy Chong)

Does your mama know about me Does she know just what I am Will she turn her back on me Or accept me as I am

And what about your dad Did you think of what he'll say Will he be understanding Or does he think the usual way

Maybe I shouldn't worry
But I've been through this before
And I'd like to get things straight
Before I'm knocking on your door

Does your mama know about me Does she know just what I am If she says forget about me Do you think you'll understand

And what about your friends
Do you care what people say
Will you accept the burdens
I know will surely come your way

Maybe I shouldn't worry But I've been through this before And I'd like to get things straight Before I'm knocking on your door

Does your mama know about me Does she know just what I am Will she turn her back on me Or accept me as I am

Oh, we've got to stand tall Tumble or crawl We've got to be strong For a love that's so right Can't be wrong And everyday I see it grow I don't wanna let it go That's why I gotta know

Does your mama know about me Does she know just what I am Does your mama know about me Does she know just what I am Does your mama know about me Does she know just what I am
