The Supremes, Falling In Love With Love

(Richard Rodgers/Lorentz Hart)

Falling in love with love Is falling for make believe Falling in love with love Is playing the fool

Caring too much Is such a juvenile fancy Learning to trust Is just for children in school

I fell in love with love One night when the moon was full I was unwise with eyes unable to see

I fell in love with love With love everlasting But love fell out with me!

Falling in love with love Is falling for make believe Falling in love with love Is playing the fool

Caring too much Is such a juvenile fancy Learning to trust Is just for children in school

I fell in love with love One night when the moon was full I was unwise with eyes unable to see

I fell in love with love With love everlasting But love fell out with me!

Falling in love with love Falling in love with love Falling in love with love
