The Supremes, Up, Up And Away

(J. Webb)

Would you like to ride In my beautiful balloon ? Would you like to glide In my beautiful balloon ? We could flow among the stars Together you and I For we can fly For we can fly

Up and away In my beautiful My beautiful balloon

The world's a nicer place In my beautiful balloon It wears a nicer face In my beautiful balloon We can sing a song And sail along the silversky For we can fly For we can fly

Up and away In my beautiful My beautiful balloon

Suspended under a twilight canopy We'll search the sky for a star to guide us If by some chance you find yourself loving me We'll find a cloud to hide us Keep the moon beside us

Love is waiting there In my beautiful balloon Way up in the air In ly beautiful balloon If you'll hold my hand We'll chase your dream across the sky For we can fly For we can fly

Up and away In my beautiful My beautiful balloon

Up, up and away Up, up and away Up, up and away Up, up and away Up, up and away
