

# The Sweet, All You'll Ever Get From Me

Cook/Greenway

Got a sweet snap  
And juggle a pack  
It's very nice when it's going down  
But if you got time  
We don't need a dime  
We'll save our money for a house in town

I'm talkin' about love (love), love (love)  
All you'll ever get from me,  
I'm talkin' about love (love), love (love)  
All you'll ever got from me

I'm talkin' about love (love), love (love)  
All you'll ever got from me  
I'm talkin' about love (love), love (love)  
All you'll ever got from me

Cadillac car  
And blueberry jar  
It doesn't matter what your fancy is  
'Cause when you're alone  
And nobody's home  
There's only one thing that you really miss

I'm talkin' about love (love), love (love)  
All you'll ever get from me,  
I'm talkin' about love (love), love (love)  
All you'll ever got from me

Yeah, I'm talkin' about love (love), love (love)  
All you'll ever got from me  
I'm talkin' about love (love), love (love)  
All you'll ever got from me
