

The Sweet, At Midnight

Uh-Uh-Uh

Let me tell you 'bout my girl
Guaranteed to make your hair curl
Doing things that only she can do

Uh-Uh-Uh

She made the world a stage
Taking care of public image
She's looking good, but then she always does
heres what she want's to do

At midnight

Oh, i'm gonna love you

Oh, at midnight

Oh, I'm gonna make you mine at midnight

Uh-Uh-Uh

Monies everything to her
Gonna get her diamond and furs
But there's one thing money just can't buy

Uh-Uh-Uh

Love waits for the witchin' hour
Sell your soul for the taste of power
Still i love you but then i always will
heres what I wanna do

At midnight

Oh, i'm gonna love you

Oh, at midnight

Oh, I'm gonna make you mine at midnight

When daylight comes to you

You hide from the world outside

Lover of the darkest night

Midnights the time to get high

At midnight

Oh, i'm gonna love you

Oh, at midnight

Oh, I'm gonna make you mine at midnight

At midnight

Oh, i'm gonna love you

Oh, at midnight

Oh, I'm gonna make you mine at midnight

At midnight

Oh, i'm gonna love you

Oh, at midnight

Oh, I'm gonna make you mine at midnight
