

# The Sweet, Man From Mecca

Scott/Tucker/Priest/Connolly

Take a black grab  
I think of what you'll had  
Here's a wildcat  
Take a white mouse  
He's hiding in a house  
Here's a coloured love

Pay, pay, pay  
You can get it if you  
Say, say, say  
That you wanna, but  
Hey, hey, hey  
Just remember it's the way

Day- or nighttime  
You can really shine  
With your groupy clothes  
If the inside  
Is on the outside  
Everybody knows

Pay, pay, pay  
You can get it if you  
Say, say, say  
That you wanna, but  
Hey, hey, hey  
Just remember it's the way

Take a black grab  
I think of what you'll had  
Here's a wildcat  
Take a white mouse  
He's hiding in a house  
Here's a coloured love

Pay, pay, pay  
You can get it if you  
Say, say, say  
That you wanna, but  
Hey, hey, hey  
Just remember it's the way
