

# The Sweet, Miss Demeanour

You're a woman of the moment  
a bitch and ya know it  
but baby you got something coming to ya  
your reputation fame I'm gonna blow it  
Get back to the things ya do yeah  
you got bad blood runnin' through ya  
God I got to hand it to ya  
you got bad blood runnin' through ya  
You think ya fell in love with a dreamer  
but baby ya better believe I'm a schemer  
you're gonna get what's comin' to ya  
Maybe baby they should call you Miss Demeanour
