

The Sweet, Tell The Truth

In the eyes of the world
you're a rock & roll widow
But where is the girl
that I used to know
Your friends try to blame me
but you know that it's crazy
Tell the truth - I can't take anymore
Tell the truth - I just can't take no more
Tell - Tell the truth
Or turn - Or turn me lose
Tell - Tell the truth
Or turn - Or turn me lose
I gave you my world
and you gave me nothing
But it's never enough
there's always one more thing
Can't stop what I do
it's the only thing that gets me through
Tell the truth - I can't take anymore
Tell the truth - I just can't take no more
Tell - Tell the truth
Or turn - Or turn me lose
Tell - Tell the truth
Or turn - Or turn me lose
Tell - Tell the truth
Tell - Tell the truth
Or turn - Or turn me lose
Tell - Tell the truth
Or turn - Or turn me lose
Tell - Tell the truth
