

# The Sweet, Tell The Truth

In the eyes of the world  
you're a rock & roll widow  
But where is the girl  
that I used to know  
Your friends try to blame me  
but you know that it's crazy  
Tell the truth - I can't take anymore  
Tell the truth - I just can't take no more  
Tell - Tell the truth  
Or turn - Or turn me lose  
Tell - Tell the truth  
Or turn - Or turn me lose  
I gave you my world  
and you gave me nothing  
But it's never enough  
there's always one more thing  
Can't stop what I do  
it's the only thing that gets me through  
Tell the truth - I can't take anymore  
Tell the truth - I just can't take no more  
Tell - Tell the truth  
Or turn - Or turn me lose  
Tell - Tell the truth  
Or turn - Or turn me lose  
Tell - Tell the truth  
Tell - Tell the truth  
Or turn - Or turn me lose  
Tell - Tell the truth  
Or turn - Or turn me lose  
Tell - Tell the truth
