

# The System, You Are In My System

Day by day  
And night by night  
I feel you in my mind  
It happens all the time  
You know my daydreams stop  
My heart beats on  
I can't take it anymore  
It's you I live for

oh baby  
You are in my system  
I just want you to know that  
oh  
You're in my system  
got me burnin' burnin' baby  
You are in my system  
oh  
You are in my system, system  
Don't you, don't you know that baby?

I will keep on pushing, pushing  
Until I get through  
But my main objective baby  
is to get to you

To turn your mind around  
I know will take time  
But you know I can't wait, no  
You're on my mind

oh baby  
You are in my system  
I just want you to know that  
oh  
You're in my system  
got me burnin' burnin' baby  
You are in my system  
oh  
You are in my system, system  
I keep on pushin' baby

It's a romantic vision of me and you  
Holding hands on Sunday  
and Monday too  
There's no doubt on my mind  
That I'll be true baby  
You know I'll take you out and I'll keep love new  
oh baby

You are in my system  
I just want you to know that  
oh  
You're in my system  
got me burnin' i'm on fire baby  
You are in my system  
oh  
You are in my system, system  
got me burnin' oh baby
