

# The Temptations, Aiming At Your Heart

Tell me how you been  
Well, it's so good to be seein' you again  
Lady, you're so fine  
I wish there was a way I could share your time

I need someone in my life  
'Cause I'm lonely, yeah, for your lovin'  
You make me feel so alive  
You're the woman and nobody else will do

That's why I'm aimin' at your heart, aimin'  
Aimin' at your heart, aimin', aimin'  
Aimin' at your heart, aimin'  
Aimin' at your heart

Why don't you love me, don't be shy  
Like the wings of an eagle, let your feelings fly  
Precious shinin' star  
Do I need me a rocket to be where you are

I need someone in my life  
'Cause I'm lonely for your lovin'  
Ooh, girl, you make me feel so alive  
You're the woman and nobody else would do

That's why I'm aimin' at your heart, aimin'  
Aimin' at your heart, aimin', aimin'  
Aimin' at your heart, aimin'  
Aimin' at your heart

Aimin' at your heart
