The The, Perfect

Out of the blue...and into the fire!!

I'm a man without a soul...Honey---Who lost it while parading it, in a town full of thieves--Y'see I didn't wanna be with any people I know. But god knows, I didn't wanna be alone--So I showered down--left my little room And jumped in my car for protection from hostility Well it ain't easy to be bold--in an unknown city--I was feeling strong mouthed, but weak willed. When I ran into the cure...for my ills--Don't tell me what your name is--I want your body, not your mind, I want a feeling, worth paying for before I say goodbye But as I was talking, I couldn't look her in the eyes, I just kept wondering,--How many men unleashed their frustration between her thighs? Well my adrenalin, was curdling like cream, as I was being led by the hand. through the sound of sirens-and the distant noise of some drunken jazz band, through the stench of disinfectant-that "INFECTED" my head, through the darkness of a corridor and into a strangers bed. Well I didn't wanna hurt your feelings, honey but I couldn't suppress my own, I had to pull myself outta this nosedive by proving something to myself. She was lying on her back with her lips parted. Squealing like a stuffed pig--I was going through the motions faking the emotions, and wriggling around like lizard in a tin. Trying so hard to cleanse myself, I was turning into somebody else. I was trying so hard to please myself, I was turning into somebody else. I was trying so hard to be myself I was turning into somebody else. Come my love--with your desire--
