

# The Thorns, Such A Shame

She sleeps alone without her clothes on  
While I dream of how things could have been  
She doesn't want me and I don't know why  
I left a message in the midnight sky  
But now I know she'll never find it

Maybe I'll see tomorrow  
But for tonight I know I'm blind

Such a shame (to want you)  
When you can't (belong to)  
Someone else  
Such a shame  
Ah-

You may be wrong and I'm not crazy  
Though I admit that I'm confused  
I waited patiently you walked on by  
I had to have you now I want to die  
So there's no way to justify it

Maybe I'll see tomorrow  
But for tonight I know I'm blind

Such a shame (to want you)  
When you can't (belong to)  
Someone else  
Such a shame  
Ah-

Such a shame  
When you can't (belong to)  
Someone else  
Such a shame  
It's such a shame (to want you)  
When you can't (belong to)  
Someone else  
Such a shame (to want you)  
When you can't (belong to)  
Someone else  
Such a shame  
Ah-
