

# The Thrills, Car Crash

Do I look like a car crash  
Baby tell me it aint true  
Cos if i look like a car crash  
I don't know what the hell i'd do

Everybody tells me i'm out of my mind  
Just because I say  
Baby, oh baby  
Don't change

Do I look like a car crash  
Tell me baby it aint true  
Cos if i look like a car crash  
I don't know what the hell i'd do

Everybody tells me i'm out of my mind  
Just because I say  
Baby, oh baby  
Don't change  
Cos if you laugh too hard  
The joke is on you  
You girl,  
You

Everybody tells me i'm out of my mind  
Just because I say  
Baby, oh baby  
Don't change
