

# The Thrills, Santa Cruz You're Not That Far

Well tell me  
Where it all went wrong  
And tell me  
Where you lost those damn songs  
I can't say i was surprised  
I heard a drink was involved  
Oh you gotta be, oh you gotta be  
Still living by the sea  
Oh you gotta be, oh you gotta be

Cause Santa Cruz,  
You're not that far  
Oh Santa Cruz,  
No, you're not that far

Well villains come and villains will go  
But a hero's name is set in stone  
I heard he sued you with lies  
I heard he laughed when you cried

Oh you gotta be, oh you gotta be  
Still living by the sea  
Oh you gotta be, oh you gotta be

Cause Santa Cruz,  
You're not that far  
Oh Santa Cruz,  
No, you're not that far
