

The Tiger Lillies, Dribble

your legs ache, your back aches, you dribble down your chin.
your steps are like mountains and so you must begin,
to gasp and stagger, and dribble down your chin,
you dribble, you dribble, you dribble down your chin.
the faces, look at them, they all avert their eyes,
can't stomach, can't stomach, can't stomach your demise.
you gasp and you stagger, and dribble down your chin,
you dribble, you dribble, you dribble down your chin.

the faces, look at them, they all look away,
can't stomach, can't stomach, can't stomach your decay.
you gasp and you stagger, you dribble down your chin,
you dribble, you dribble, you dribble down your chin,
yeah.

and every time i see you, it gets (it gets repeats 32 times)
it gets a little worse.

as they lead you, as they lead you (lead ya repeats 10 times)
lead you to your hearse,

you dribble, you dribble you dribble down your chin (repeats 3 times).
you dribble dribble down your chin.
