

The Tiger Lillies, Millionaire

Baby is just a millionaire
He's 'orrible and unkind
Baby is just a millionaire
and he will rob you blind

And he'll have you on Monday
He'll have you on Tuesday
He'll have you on Wednesday as well

Baby is just a millionaire
He's got gold taps on his bathroom suite
Baby is just a millionaire
He's 'orrible and he's neat

And he'll have you on Thursday
He'll have you on Friday
Saturday and Sunday as well

Baby is just a millionaire
Didn't Baby do well
Baby is just a millionaire
And Baby is going to Hell

Yeah, Baby is going to Hell
Baby is going to Hell
