

# The Time, Girl

Girl, I called you up to say,  
that I'm havin' trouble sleepin' ever since you went away.  
Girl, I know you need a little time,  
to get your head together. But baby, I can't stop cryin'.  
(chorus)  
Girl, why'd you go away?  
What can I say to make you stay?  
Girl, I was a fool.  
I don't know what to do.  
I'm still in love with you.  
I'm still in love with you, baby.  
Girl, I guess I was a fool,  
to try to tie you down and make you play by the rules.  
Girl, I guess I finally realized,  
that keepin' you close to me, it would keep me alive.  
(repeat chorus)  
Don't know what I'm gonna do.  
Girl, what can I say baby, to make you stay?  
Girl, I don't know what to do. No I don't.  
I'm still in love, still in love, still in love.  
Girl, down on my knees. Oh baby, please.  
Girl, oh baby, please. I'm still in love with you.  
I'm still in love with you.  
Called you up to say, Baby, I still love you.  
I'm still in love, I'm still in love.
